

# Home Learning Term 1

Complete one task each week and post on google classroom or complete at home and bring it in to share with us.

## Science/English

Find a recent television or news paper clip about a 'natural disaster' and summarise your findings by creating a fact file.

## Art

Sketch your favourite scene in your local environment.

## Geography/Mindfulness

Take a walk in your local environment - record in pictures, photographs, or words what you see.

## English/History

Interview a relative, neighbour or friend who knows something about the local history of the area. Record your findings in whatever way you like.

## Maths

Take a walk around your local environment - how many numbers can you notice? Record your findings.

## RE/Speaking and Listening

Think of a story in the Bible that has a "disaster" in, act the story out either yourself or using toys and objects.

## DT

Create a model of your favourite building in the local area.

What can you find out about it?

## Mindfulness

Relax and enjoy some time with your family. Go to the park, play a game, talk about what you have done at school.
