

SATS

The pupils and year 6 staff would like to thank everyone involved both supporting and providing a delicious breakfast during SATS week.

THANKYOU!

Stressful SATS, every day test our brain

Challenging in all ways, we create ideas to stay safe

Be calm, breathe and stay positive

The way to survive SATS

When doing maths,

Here are tips to succeed by far

Read the questions with care

Don't fret it will make you stress

English, save your tears this poem has your back

Read every part of the text

Be sure to check the paragraph you detect

You never know what you might regret

The final test we say ALOHA

Pronounce the words you are unsure of

SPAG is simple , do not ask for help

Trust me you have all the knowledge you need! Destiny Year 6

TERM TIMES

TERM 5

House	Points
St Andrews	17,221
St Davids	24,219
St Georges	20,503
St Patricks	18, 192

Be a Geographer Day

Bumblebee worship Wednesday 24th April 2024

Bumblebees class was the first worship of term 5, of course they set the bar really high with their costumes and their first song which was a remix of Old McDonald had a farm it was just simply amazing.

Bumblebees have opened our eyes to the world of animals, they taught us about amphibians, mammals, reptiles and more. They have talked about how animals eat live and survive the wilderness.

The message was basically how we should protect the animals all around us so they can be safe. These are some of the ways you could do this is;

Not littering
Do not cut trees
Do not kill animals

All these will help protect our animals and give them a safe place to go.

Here are some of the key points from Bumblebees worship.

Fish are cold blooded!
Most extinct species were killed by humans

Specific facts were highlighted about the following;

Amphibians
Mammals
Reptiles
Carnivores
Herbivores
Omnivores
Vertebrates

The message today was, do not harm animals or their habitats!

For 'Be a geographer day', all year groups took on a project based around their focus continent and embraced the skills of orienteering around the school.

LADYBIRDS WORSHIP

Wednesday 22nd May 2024

Ladybirds did a superb job retelling the story of Jesus and the 12 Disciples. They all preformed brilliantly and said that being friends means forgiving each other and there was a strong message of you can't buy friendship. The whole school agreed that it is even better having love than having presents.

The costumes were great, the singing terrific, the actor amazing. Well done to all.

Cross Country

On Thursday 25th April 2024, the cross country took place. Every year it is a competition between all schools from the trust. All children had to put dedication and a lot of hard work to gain this opportunity to compete against children their age.

They all had lots of fun, Stone St Mary's finished in 4th place.

Year 3 & 4

Football

8 of our Year 3 & 4 Boys represented the school in a football league organised at Princes Park. The boys showed excellent teamwork, perseverance and resilience in all of their matches.

MEERKATS CLASS WORSHIP

WRITTEN BY HEADLINERS

On Wednesday 8th May 2024 Meerkats performed their class worship. This worship brought joy to the whole hall! Their worship linked to D.T, P.S.H.E, Art, Sports (Cheerleading) and storytelling It was a celebration which started with Meerkats class performing in two shape structures, a pyramid and a square in cheerleading.

One thing that always stands out in a class worship is, the Message! In Meerkats class worship there was a lot of messages but the two that made the biggest impression were, believe in yourself and everyone should be there for each other. This gave a wave of encouragement to the whole of KS2.

Then came the amazing storytelling, what was an innovated version of the three little pigs. This then also brought laughter and joy to everyone present which it stayed in everyone's heart for the rest of the day.

The worship was topped off by the wonderful singing ensuring that Meerkats worship would always be remembered fondly.

THE GIRLS SMASH IT AT THEIR TOURNAMENT-NET!

On Friday the 10th of May 2024 our girls football team were very proud to participate in the semi finals football match in Dartford district football stadium .

They started amazing winning 3-1 and was moved into the finals .The team that they went against was very good and unfortunately they lost and you could tell that they were upset but later on realized how good they did and that they had made history for the first girls football team in the whole of Stone St Marys to get that far in a tournament.
