

## Autumnal Homework Topic Web

Choose an activity to complete as a family each week. You can add any photographs you take or scan any learning and then upload them to Google Classroom we would love to see it ☺

<b>Ask a Question</b> Think? of some questions to ask about autumn. Who? What? Where? When? Why? How?	<b>Taste</b> Taste some harvest vegetables. Perhaps you could then make a hearty soup. 	<b>Photography</b> Can you capture the changes over time in autumn Take some photographs and create a photography collage.	<b>Music</b> Can you learn an autumn song such as 'Conkers' and create some accompaniment to this such as using pots and pans.
<b>Senses</b> Go on an autumn sensory walk. .What can you see? What can you sell? What can you hear? How do you feel?	<b>Mindfulness</b> Go for a weather walk. What do you notice? Really take the time to stop, listen and breath it all in.	<b>Cooking</b> Could you cook up a batch of autumnal playdough? We love this autumn spiced recipe <a href="https://theimaginationtree.com/autumn-spice-play-dough-recipe/">https://theimaginationtree.com/autumn-spice-play-dough-recipe/</a>	<b>Active</b> Dance, jump, play and laugh in a big pile of crunchy autumn leaves.
<b>Art</b> Create a print using autumn leaves and autumn colours or create an autumn collage picture. 	<b>Research</b> What can you find out about Guy Fawkes or Saint Andrew?	<b>Animals</b> Why might a hedgehog, barn owl, red fox and a dormouse be considered an autumn animal? What can you find out about them? 	<b>Game</b> Can you make up a game to play with conkers?
<b>Modelling</b> Collect some conkers and make a conker streamer.	<b>Can you make.....</b> Use your imagining muscle to create something linked to autumn.	<b>Maths</b> Go on an autumn scavenger hunt and collect some conkers, crispy leaves and acorns. Can	<b>Children's Choice</b> What could you like to do to some your learning about autumn?

		you arrange them in a pattern? How many have you collected?
