

# Home Learning Term 4

Complete one home learning task each week and post on Google Classroom.

## Science

In science we have been looking at forces. Take a trip to your local park and make a list of the forces that are acting on the playground equipment.

## Art

Collect some materials to cut or tear pieces and create your own mosaic.

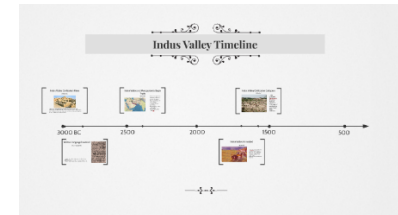

## Geography

We are looking at maps. Can you design your own map of the street you live in? Don't forget to add physical and human features.

## History

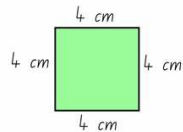

Use the attached fact cards to create your own timeline of the beginning of the Indus Valley civilisation.

## Maths

We are looking at length and perimeter. Look at the attached sheets. Can you work out the perimeter of the shapes?

To find the perimeter of a shape, we need to add the length of all the sides.

## RE

Vaisakhi is a big celebration for Sikh people. Use google to research about the celebration and create a mind map based on what you have found out.

## English

We are learning about the story of Treasure Island. Watch [Treasure Island 1971](#) and write a summary about what it is about.

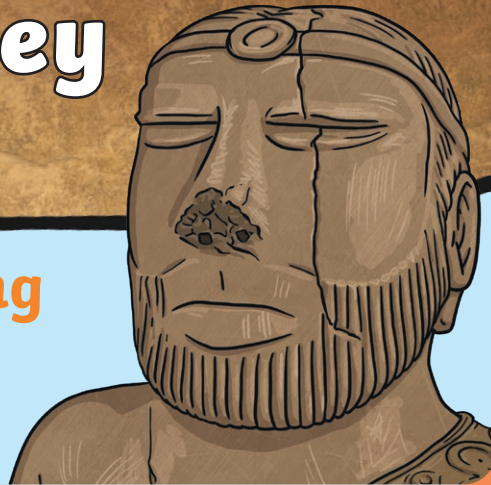

## Mindfulness

Bake some of your favourite things to eat. Why not show someone a random act of kindness by baking for someone else?

# The Indus Valley

## Timeline Ordering Activity

### The Indus Valley Timeline Ordering Activity

The Indus people use an early form of Indus script.

3,200 BC

### The Indus Valley Timeline Ordering Activity

2,600 BC

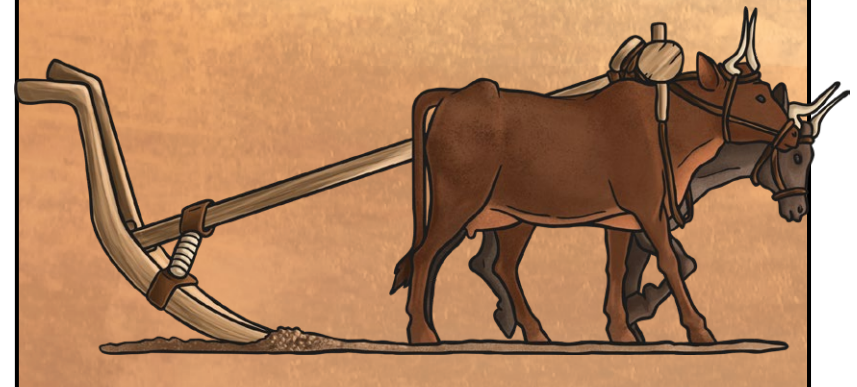

Farmers come to the Indus Valley.

### The Indus Valley Timeline Ordering Activity

Ploughs are used.

3,200 BC

The Indus Valley Timeline Ordering Activity

# Perimeter

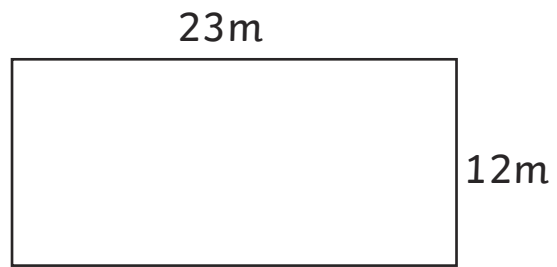

I am learning to calculate the perimeter of shapes.

Calculate the perimeter of each of these shapes. Write the answer inside the shape. Always check the units of measure and remember that these drawings are not to scale!
