

Music – Beat and Pitch

low	Sounds made by slow vibrations like a drum beat or a whisper.
high	Sounds made by fast vibrations like scream or a birds song.
beat	The steady, underlying pulse of the music.
pitch	How high or low a note is in music.
pulse	The steady beat of a piece of music.

Our genre of the term is:

R & B

major

I may have go - ten fa - Her but may - be that won't mat - ter
 I'll win her

Sticky Knowledge:

- The beat in music is the steady pulse that you hear when listening to music.
- Pitch is how low or high a note is in music.
