

Year 2 Newsletter

Welcome back! We hope your child has had a great start in Year 2. The children are settling in beautifully and we are enjoying getting to know them.

Reading

At Stone, we believe regular reading at home is vitally important and that all primary aged children should either read to an adult or be read to every single day.

If your child reads a book from home, please do record this in their reading record. In Year 2, children are encouraged to change their reading books themselves.
