appreciation

Key Vocabulary

Mood

The atmosphere in a painting, or the feeling expressed. E.g tranquil, dark, angry, happy.

Natural

Colours taken from nature and the world around us e.g. trees, soil, the sea.

Complimentary colour

Pairs of colours. When placed next to each other, they create a strong contrast. Sometimes called 'opposite' colours.

War Art

Art created to document first hand experience of war, produced by artists commissioned by the government.

Realism

Accurate, detailed representation of nature or

Sticky Knowledge

Artists use colour choices carefully to communicate and emotion, mood or atmosphere.

Art is a conduit for emotions, reflection and putting into words people's experiences during times of war and unprecedented terror.

During times of war, Artists craft images that influenced public opinion and supported mobilization efforts.
