January 2026

Firstly, Happy New Year! We hope you all have a wonderful Christmas break. We have another busy term ahead of us. Home learning will as usual be loaded on to google classroom and can be accessed at all times, but please remember to read as much as possible please.

Parents, if you can support at home with learning in practical elements to embed new learning from Maths so that they can use it practically and confidently in all situations, especially time, that would be very helpful.
