EYFS

We safely used and explored a variety of materials, tools and techniques, experimenting with colour, design and texture.

Computing – Data Grouping

computer	A device that stores, finds, and processes data.
group	A number of things that can be put together as they have something the same/similar.
data	Information that can be used by a computer.
process	A series of steps to make something happen.
attribute	Something you can say an object has (such as size or colour) similar to a feature.

data handling

multimedia

E-Safety

Sticky knowledge:

You can sort items on a computer to answer a question.

You can use a computer to choose an attribute to group objects by.

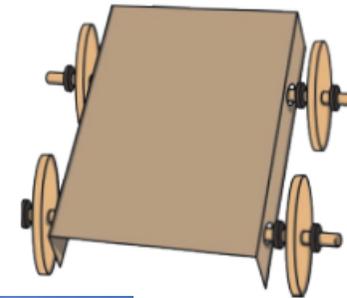

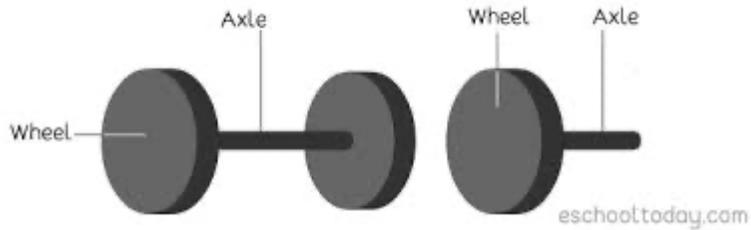

Links to previous learning:

EYFS

We grouped/matched objects in a digital game.

DT – The wheel

design

mechanisms

product	Something that is made.
wheel	A circular object that moves around an axle to move a vehicle.
evaluate	To judge/look at how something works.
axel	Something to hold the wheels in place on a vehicle.
mechanism	The parts that make something work.

Sticky Knowledge

A wheel rotates around an axle to move.

An example of a wheel and axle mechanism is a bike or a Ferris wheel.

Links to previous learning

EYFS

We investigated how things were built and how they could be used.

Geography – The UK

global	Something concerning the whole world.
national	Something concerning a country/area rather than the whole world.
international	2 or more nations.
local	An area close to your neighbourhood or where someone lives.
birds-eye view	To look down on something, as a bird flying would see it.
map	A drawing or picture to show where things are.

Sticky Knowledge:

- 4 countries make up the UK.
- The UK is made up of England, Ireland, Scotland and Wales.
- Ireland and Scotland have more rainfall than England.
- Scotland is colder than England.
- Famous landmarks in England are Big Ben and Tower Bridge.
- Scotland has a lot of castles.

Links to previous learning

EYFS

We could use a map of the school to find clues.

History – Toys

past	The past is something that has already happened.
compare	To look at the similarities and differences between 2 or more things.
present	The present is the time you are living right now.

Sticky Knowledge:

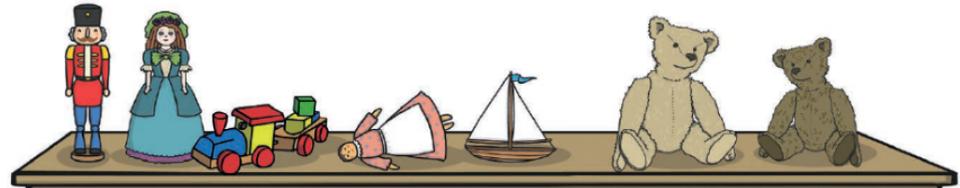

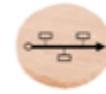

- Toys have changed over time due to changes in materials and technology.
- Old toys were often made from wood and sometimes tin.
- New toys are often made from plastic.

EYFS

We sequenced our lives as past, present and the future.

1800s - Rich family

Children from rich families played with train sets, tea sets, dolls and toy soldiers.

1800s - Poor family

Children from poor families played with homemade toys such as ragdolls and wooden boats.

1902

In Germany, Richard Steiff based one of his toy designs on a bear he saw at the zoo. In 1902, the Steiff Company started making teddy bears.

1903

Binney and Smith made a set of 8 wax crayons in 1903. Binney's wife named them Crayola.

1907

The name Meccano was introduced and the first Meccano factory opened in Liverpool.

1934 - 1949

Ole Kirk Christiansen called his toy company 'Lego' in 1939. The plastic blocks were made in 1949.

1943

Richard James invented the slinky in 1943. It performed tricks such as walking down the stairs.

1959

Ruth Handler invented the Barbie doll in 1959. She named the doll after her daughter, Barbara.

1959

The Etch a Sketch was invented by André Cassagnes in 1959 and was introduced in the 1960s.

1983

Chris Wiggs invented Polly Pocket for his daughter in 1983. They first appeared in shops in 1989.

1989

The first Game Boy was developed by Nintendo and was released in Japan in 1989.

Music – Andrew Lloyd Webber and Classic Vs Pop

Genre of the term:

Opera

pop	Pop music is easy to listen to and sing along with.
classic	Classical music is music written down by a person called a composer, in music notation, so that other musicians can play it. You will usually hear lots of different instruments in a classical song.
non-standard symbol	A symbol used to represent sound.
genres	Different musical styles.

Sticky Knowledge:

Classical music is music written down by a person called a composer.

Andrew Lloyd Webber is an english composer for musicals.

Pop music is easy to listen to and sing along with.

A non-standard symbol is a symbol to represent a sound.
