A NOTE FROM THE TEAM

Welcome back! We hope you all had a lovely half term.

As we move on to Term 4, please continue to encourage your child to be reading at home and practicing their times tables. This term will see your child coming home with a folder with home learning - this will be set on a Friday and expected to be back in school the following Wednesday. There will also be home learning on Google Classroom too.

Please note that from this term, there won't be an adult on the morning - any urgent messages on the day, can be sent up with your child.
