

Year 1 Term 5 Newsletter

Welcome back to Term 5!
We hope you all had a wonderful Easter!

This term's learning:

Music – Untuned Instruments

Computing – Digital writing

PE – Rackets, bats and balls (ball skills) and superhero dancing.

History – The moon landing

Geography – Hot and old places

DT – Portable snacks

Science – Living things and their habitats

RE – This term we will be beginning to look at the religion Judaism. Within this topic, we will be focusing on Jewish celebrations and meaningful objects. We will also be comparing celebrations and festivals in Judaism and Christianity.

How you can support your child's learning at home:

English – This term we will be learning how to write instructions. As always, we will be focussing on sentence writing (full stops, capital letters, finger spaces, writing making sense) and using phonics to support spelling. Any support with this at home would be greatly appreciated.

Reading – Please read with your children as often as you can. The children have gained a love for reading and this is really showing in their progress. Please make sure you are asking them questions throughout to ensure they are gaining understanding and challenge.

Maths – This term is all about multiplication and division. Please

support your child's learning by practising counting up in 2s, 5s and 10s at home.

Reminders:

Thank you to everyone that has been dropping the children off at the Year 1 gate. We are very proud of the children's independence and confidence!

Please can we remind all parents and carers, children should not be playing in our outdoor learning area at drop off and pick up times. This space is a key area of learning for our children, but sadly we have had things damaged, or activities spoilt with children accessing this area during these times.

Finally, please don't forget that all children should have a sunhat and water bottle now the weather is warming up!

Can you help?

If there is anything within the children's learning topics that you are particularly knowledgeable about, please let your class teacher know. We would love you share your wisdom with the children!

Dates to put in your diary:

27/4 – School clubs start.

6/5 – Bumblebee Class Worship – parents welcome (9.15am in the main hall).

20/5 – Class Photographs.

21/5 – 2pm Teddy bear picnic. Parents are invited to come and share their child's DT portable snack creation!
