

Year 1 - Home Learning Term 6

Aim to complete one task each week. Please bring your completed task into class OR upload onto google classroom. Have fun!

Science - Human body parts and senses

Can you draw around a member of your family, you may even want to use chalk outside! Now label the different body parts.

Go for a walk in the local woods or lie down in your garden. Use your senses to record what you can see, smell, hear, taste and feel.

Art - Yayoi Kusama

Create a sculpture or picture BUT add colour through the using polka dots rather than block colour. You can draw or make whatever you like!

Music - Nursery Rhymes

Find out about as many nursery rhymes as you can. Can you write out and illustrate some of your favourites?

Bring into school so you can share with your classmates.

Handwriting - Pre-cursive

Continue to practice your precursive handwriting at home. Remember to focus on where you start and finish, so you are in the right place to join your letters when you move onto cursive.

If you need a reminder, look at the page below.

Maths - Shape

Play shops at home. Can you pay for items using real or pretend coins. (let us know if you would like to borrow pretend coins). Make sure you are combining coins to make a certain amount up to £1.

Blindfold a member of your family/friends. Can you give them directions to get to destination in your home/garden. Use the following vocabulary: left, right, forwards, backwards, half turn, quarter turn, full/whole turn.

Practise counting in 2s, 5s and 10s. Can you get to 100 each time?

Can you count backwards from 100?

History - Schools past and present

Research what schools were like in the past. Can you design a classroom from the past? You can record this using junk modelling or drawing.

Now can you design your perfect classroom for present day? Let your imagination go wild!

English - Fairytales

Read a variety of fairy tales. Write a book review on your favourite fairy tale to share with the class.

Can you write a different ending to a fairytale? See if you can make the fairytale even better!

Geography - Africa

Research a country in Africa.

Record your findings in your favourite format and teach the class about this country.
